Helper 926974

Princess was calm and relaxed during handling. She played tug-of-war with the leash during tag interaction. Princess did not resist being handled while eating, and was easily pushed out of the food bowl, but was not interested in toys or rawhide. She was relaxed when approaching a friendly dog, but was not playful.

Look: 2. Dog pulls out of Assessor's hands each time without settling during three repetitions.

Sensitivity: 1. Dog leans into the Assessor, eyes soft, soft and loose body, open mouth.

Tag: 3. Dog turns towards the touch, grabs the leash and begins to tug while soft in body.

Squeeze 1: 1. Dog gently pulls back her paw

Squeeze 2: 1. Dog gently pulls back her paw.

Food 1. Dog lifts head and ceases eating when you reach to pull the bowl away or push her out.

Toy 1. No interest.

Rawhide 1. No interest.

Dog - dog 2. Dog approaches helper dog with tail at spine level, body not stiff, ears relaxed, and lip long

IF YOU OR YOUR VETERINARIAN HAVE ANY QUESTIONS THE MEDICAL TREATMENT YOUR ANIMAL HAS RECEIVED  
PLEASE CALL 311

**( Veterinarian to sign below if animal is not to be sterilized )**

I hereby certify that I am a licensed veterinarian in the State of New York, and I have examined the above animal. I have determined as of this date that because of the above medical reason(s) the life of the above animal would be endangered by sterilization and therefore should not be done at this time.

## Dog License Certificate

04/26/2017

MARIAH LOPEZ  
728 LINCOLN PL, APT 2B  
BROOKLYN, NY 11216

Thank you for being a responsible pet owner and licensing your dog. Please remember to attach the metal license tag to your dog's collar and to keep this certificate for your records. The certificate is the official proof that your dog is licensed and can be presented to anyone that requires this information.

If the information below is incorrect or you have questions, call 311 or visit [nyc.gov/doglicense](http://nyc.gov/doglicense).
